Raleigh Gardens Assisted Living Amenities & Floorplans

Raleigh Gardens is a beautiful, all-inclusive assisted living community fills the gap between traditional assisted living care and a skilled nursing home, providing a level of care that is rarely found within Denver's assisted living residences. The smaller community size is a main draw for many seniors, because residents are able to foster tight-knit relationships with staff and neighbors.

Features at each Raleigh Gardens apartment include:

- 24-hour staff
- Private studio apartments
- Private bathroom with sit-down shower
- Personal emergency alert system
- Three nutritious, home-cooked meals each day, with table service and fresh menu options
- Housekeeping and laundry services
- Utilities – excluding cable and phone
- Scheduled transportation to local appointments, errands, and outings
- Maintenance of apartment, community & grounds – including snow and ice removal

Our experienced staff is also available to offer additional support when needed, including:

- Bathing and dressing services
- Personal hygiene needs
- Wake up and meal reminders
- Medication administration
- Incontinence care
