Coronavirus COVID-19 Statement

March 13, 2020

We know many of you are concerned about the spread of COVID-19. Ensuring residents are cared for in a safe and healthy environment is our first priority. **At this time, we don't have any cases in The Argyle, nor are we under quarantine.**

The Centers for Disease Control and Prevention (CDC) have recommended a variety of steps that we are implementing to help reduce the potential for the virus to enter our building. In following those guidelines, we are asking the following:

At this time, we request that family and friends do not visit The Argyle. Out of an abundance of caution, we are limiting all visitors to our facility unless absolutely necessary. We are posting signs on our entryway doors to notify visitors of this policy. Unfortunately, until further notice, this will require us to cancel group gatherings. We will continue to have our in-house activities.

We understand that connecting with your loved ones is incredibly important, and there are a variety of other ways you might consider communicating with them. These may include telephone, email, text, video chat or social media.

Thank you so much for your understanding and patience while we weather this storm.

Regards, The Staff at The Argyle
