March Horoscopes and Birthdays

In astrology, those born between March 1–20 are the Fish of Pisces. Fish feel things deeply, as in under-the-sea deep. These intuitive and creative people love to help others. Those born between March 21–31 are the Rams of Aries. As the first sign of the zodiac, Aries are bold, courageous, passionate, and somewhat impulsive, Rams dive headfirst into even the most challenging situations.
