To Our Residents and Family Members:

We are doing everything we can to ensure we stop the spread of COVID-19 within our facility including staying in very close communication with local and state health officials to ensure we are taking all the appropriate steps. We currently have two confirmed COVID-19 cases associated with residents in our facility. Resident safety is our priority. We are not permitting visitors per the direction of the local health department.

We will notify you if your loved one is suspected or diagnosed with COVID-19.

We need your help in battling COVID-19. Please visit the [Centers for Disease Control and Prevention \(CDC\) website](https://www.cdc.gov) to learn how you can help prevent the spread in our community and the community at large.

We know this is a difficult time for everyone. We will continue to provide you with updates as they become available. Please know that we are strictly adhering to all directions from the local and state health department.

Please call if you have questions, however, know that due to privacy laws, we are unable to share any further specific information about the confirmed cases associated with our facility.

Sincerely,

Janis Mueller

Executive Director
The Argyle
